Proposition 1B Corridor System Management Plans (CSMPs)

With approval of the Proposition 1B, Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 by the voters on November 7, 2006, the California Transportation Commission (CTC) has required the development of Corridor System Management Plans (CSMPs) for all projects receiving Proposition 1B Corridor Mobility Improvement Account (CMIA) or Highway 99 Bond Act funds. The purpose of the CSMP is to reduce congestion, enhance safety, and preserve the mobility gains of the CMIA and SR-99 Bond Act investments. A total of \$615,444 million in Proposition Bond Act funds have been allocated for the following nine projects within District 10 requiring the development of six CSMPs.
